

# Peak Plus Ltd. Successfully Closes Funding Round

Swiss aviation and technology innovator, Peak Plus Ltd., has secured strategic funding, setting the stage for its exciting growth trajectory.

Founded in 2024, Peak Plus is committed to revolutionizing global mobility solutions with an initial focus on seamlessly integrating premium air travel and ancillary services with cutting-edge distribution technology through its advanced digital platform.

“Peak Plus Ltd. combines transformative technology with leading aviation expertise to make luxury travel widely accessible. I’m proud to back them from day one.”

**Beat Imwinkelried**  
Swiss entrepreneur  
Investor Peak Plus Ltd.

“Closing this round at this level is a strong vote of confidence in our vision and execution. Now, we're doubling down on delivery.”

**Peter Baumgartner**  
Co-Founder  
Chairman Peak Plus Ltd.

“We refine every mile of your journey with smart technology and meticulous service care to ensure an unparalleled travel experience.”

**Gianni Tronza**  
Co-Founder  
CEO Peak Plus Ltd.
